2014

in the Capital Region
Berlin-Brandenburg

The Brandenburg Food Industries Network (BEN)

Is the Food Industries Network of Germany's Capital Region. The CCI Potsdam and pro agro e.V. manage the Network. The BEN association supports the PromoFood 2014. The Network aims at promoting the food industry in Germany's capital region by initiating co-operations, supporting marketing, organising information and qualification. BEN is a communication and co-ordination platform of the participating companies and partners.
